1.4 Use simple terms to describe capacity.

LearningLinks

What is the opposite of heavy?

It is very important that we make sure all our animals have plenty of water. Look at the different water containers below and describe their capacity using the word bank.

This water container is....

This water container is....

This water container is....

This water container is....

This water container is....

Word Bank

Use one of these words to describe the capacity of each water container.

You can only use each word once.
